

*The Love, Joy and Wisdom Series
Three Virtual Intensives
With Leslie Temple-Thurston and Brad Laughlin*

*June 26, July 31 and August 28
Sundays at 9am – 12noon US Pacific Time*

This event is open to all. CoreLight students and non-students are welcome to attend.

Humanity is on the precipice of great change. It is time now for all of us to share what's happening in consciousness as we collectively move towards global ascension.

Each day brings an increasing sense of urgency for all of us to own our Divinity immediately! It's time for a **big jump in consciousness**, and we can start now by acknowledging ourselves as powerful creators.

Why is this important? Because we ARE infinitely powerful, and can no longer afford to avoid facing our own power.

This new paradigm is an expansive, original experience of awakening to the subtle nuances of life. We can no longer gloss over the surface but must now tap into the essence within our souls. A profound new aspect of consciousness is birthing in our souls and emerging into our psyches. This different perception brings with it a fresh awareness in our bodies, our choices, and in our aspirations.

Love, Joy and Wisdom are the Ultimate Fulfillment

The ultimate fulfillment of our spiritual journey is the manifestation of love, joy and wisdom in our lives. This is the essence of a new spiritual awakening—a movement into fourth, fifth and higher dimensions. In this state of consciousness we can see through the limitation of the outmoded system of separation, and we encompass wholeness with a heart-centered, expanded reality.

We are free like never before—free to enjoy transcendent life, free to embody our eternity, free to experience our newly expanding state and free to love.

Beyond the third dimension is a more holistic, loving, fulfilling reality. It's time to open our eyes to it and to embrace the truth that we are profound cosmic beings whose circuits are waiting to be ignited so we can fully live it.

Moving out of the Third Dimension

In this three-part series we will examine moving out of the third-dimensional system and into the paradigm of love, joy and wisdom by focusing on some or all of the following areas, depending

on what time allows for in each session:

- Opening the heart
- Transmuting fear
- Rethinking your purpose
- Aging/health/the body
- Change
- Relationships/intimacy
- Money.

Leslie and Brad will present, and there will also be time for questions, answers and sharing.

Intensive Format

We will meet via phone bridge for three hours with a brief break during the call. The calls are on the last Sundays of June, July and August. All are welcome, including people new to CoreLight as well as students and graduates of CoreLight's courses, [Spiritual Warrior Training](#) and [Enhanced Self-Discovery Program](#).

You are welcome to attend one, two or all three events. Each call will be recorded and made available to those who register.

To Register for the June 26 Event

We offer this event in the spirit of service and generosity. The suggested fee is \$75 per intensive. If you are not able to pay this amount, you are welcome to pay whatever you feel is appropriate for your financial situation. If you can afford to give more, please do, as this will help compensate for those who cannot afford the suggested contribution price.

The heart of [CoreLight's message is about love and generosity](#), and that is why we offer this retreat with the option to choose your own price. There is a "gift economy" birthing in the world, and we celebrate this new paradigm of heart-centered consciousness. We thank you for your support of CoreLight!
